JAMP is a program in Texas which (if you qualify and complete) GUARANTEES admission to a Texas medical school. It was designed to help economically disadvantaged students, who aspire to be physicians, throughout college and medical school.

**What can JAMP do for you?**

1. Guaranteed Admission to one of the nine Texas Medical Schools after college
2. Scholarship of $1,000 per semester beginning sophomore year of college
3. Paid summer internships at medical schools (two summers at two different medical schools)
4. Mentoring Programs from the medical schools as well at the collegiate level
5. Medical School Scholarship

**Requirements to apply for JAMP:**

1. Register with the Professional School Advising (OPSA)
2. Texas Residency
3. Have at least a combined SAT / or equivalent ACT score no less than the mean for Texas (2015- 1490-SAT, 20.9-ACT)
4. Documentation as an economically disadvantaged applicant (Pell grant status or FAFSA EFC < $8,000)
5. Complete 27 hours freshman year with at least 3.25 GPA (3 of these 27 hours can be AP or CLEP credit)

**Yes, you do have to:**

1. Maintain at least a 3.25 overall and science GPA
2. Complete rest of the medical school prerequisites at TAMU
3. Be able to complete a degree program in four years (or equivalent)
4. Success on MCAT (satisfactory score—minimum of 25 and at least 7 on each section)
5. Successfully complete the summer internships at the medical schools (at least 2)
