

# How to Ace Your School Interview

## Have a Professional Background

- Makes a positive impression
- Keep walls neutral to minimize distractions and turn off ceiling fans
- Ensure good lighting with no harsh shadows

## Practice

- Builds confidence and ability to effectively communicate experiences
- Reserve a room at the Career Center and time yourself to simulate the interview day:  
<https://tx.ag/ccroomrequest>

## Show Personality

- Be authentic and relatable
- Use personal experiences in your answers
- Avoid using a monotone voice

## Be Original

- Share unique experiences, motivations, and perspectives
- Avoid using AI to answer questions during the interview
  - Completely unprofessional
  - Schools can tell
